

A great display stand just got better...

DISPLAYONE® Messenger•X

The simple, practical, versatile, affordable, single display unit solution.

One look at the connection feature of our popular Display One® Messenger®-X interior graphics stand proves it. The "Express Connect" snap-and-lock foot system assembles in minutes, without tools. It's sturdy, it's versatile, and it works with almost any single or double sided graphic, including fabric or vinyl banners, or rigid panels.

MESSENGER-X WARRANTY

Display One warrants product failure, due to defects in materials or workmanship, for the periods specified below. The warranty period commences with the date of purchase, which generally is the date of invoice.

Hardware - Display One products are warranted for one (1) year.

Accessories (excluding light bulbs) - Display One accessories are warranted for six (6) months.

Light Bulbs - Light bulbs furnished by Display One are warranted for thirty (30) days.

Warranty protection is voided when product is used or installed in any manner contrary to Display One specifications and/or instructions or when product is altered or modified in any way.

Defective product covered by warant may need to be returned to Display One at owner's expense, for inspection and warranty certification. A Return Authorization Number must be obtained from Customer Serice prior to returning any product or warranty will be voided. Defective product will be repaired or replaced, at Display One's discreation, and returned to the customer via standard UPS Ground transportation, at Display One's expense.
